Meeting Minutes, GNYMLA Business Meeting, May 11th, 2018
City College of New York

The Greater New York Chapter held its Spring 2018 meeting on Friday, May 11, 2018, on the campus of the City College of New York (CCNY).

Presentations were given by Cristina Pattuelli of Pratt Institute School of Information and Elizabeth Davis of Columbia University Music & Arts Library. Our host Michael Crowley, chief of the music library at CCNY, gave a presentation on the library, followed by a tour of the library.

Dustin Ludeman, newly elected Vice-Chair for the chapter, assumed his role as of this meeting, succeeding Colin Bitter. Thanks to Colin for his service to the chapter.

It was previously announced that GNYMLA would be joining a joint meeting of NEMLA, NYSOMLA, and SQACBM in Montreal in November 2018. However, due to financial considerations, chapter leadership opted not to join as an official partner. Members from the NYC area are still encouraged to attend.
